Dear Judge Trust:

Please be advised that on December 24, 2014, the above captioned chapter 11 debtors (the “Debtors”) filed voluntary petitions under chapter 11 of title 11 of United States Code. The Office of the United States Trustee has solicited for membership of the Official Committee of Unsecured Creditors and the section 341(a) First Meeting of Creditors is scheduled for January 30, 2015.

Since the filing date, the Debtors have filed a request to retain counsel and two motions, both returnable on February 25, 2015. The first motion seeks entry of an order granting joint administration and the second motion seeks to extend the time to file schedules until March 9, 2015.

Without commenting on the substance of the requested relief, the Office of the United States Trustee believes that the Debtors’ cases would benefit from an earlier resolution of these and similar administrative matters. As such, by this letter, the United States Trustee is requesting that the Court schedule, at its convenience, a status conference to address the administration of these cases.

Very truly yours,

/s/ Christine H. Black
